Series 3000: Operations, Finance, and Property

3400 School Safety and Security

3402 Drills, Plans, and Reports

The Board will take reasonable steps to provide a safe and secure learning environment to protect students and employees.

A. Emergency Drills

The Superintendent or designee will schedule, notify, conduct, report, and post all fire, tornado, and other emergency drills as required by law.

B. Cardiac Emergency Response Plan

The Board will develop, adopt, and provide for annual review a cardiac emergency response plan as required by law. The Board will integrate the cardiac emergency response plan into the protocols of the local emergency response system and emergency response agencies. All high school athletic coaches must be certified in CPR and use of an AED by the American Red Cross, the American Heart Association, or a comparable organization approved by MDE.

C. Drinking Water Management Plan

The Board will develop, adopt, update, implement, and make available upon request a Drinking Water Management Plan as required by law.

D. Cooperation

The Superintendent or designee will act as liaison to work with the School Safety Commission and the Office of School Safety, including to identify model practices for determining school safety measures.

E. Safety and Emergency Plans

The Board will comply with the statewide school information policy, and the Superintendent or designee will provide all reports, information, and notices required by that policy. If the policy does not satisfy the requirements of Revised School Code Section 1308b(3), the Board will develop and adopt an emergency operations plan with public input and participation by at least 1 law enforcement agency having jurisdiction over the District. The statewide school information policy or the emergency operations plan, as applicable, will be reviewed every 2 years in conjunction with at least 1 law enforcement agency having jurisdiction over the District. The Board will notify MDE within 30 days after completing a required review.
